Key Benefits v Competition

- Powerful, fast acting cleaning, destaining and sanitising formula for tannin removal, backflush and use on machine components and accessories
- High purity formula means tablet fully dissolves, reducing machine breakdowns and service costs.
- Regular cleaning helps maintain beverage quality, prolongs machine life and can reduce maintenance costs
- Non-corrosive and will not damage or degrade critical machine parts.
- Eco friendly

Usage/Dilution rates:

1 tablet daily into brewer units or as machine cleaning cycle requires it.
